### Special Presentation

**Chief Warrant Officer 4 Class Malcolm I. Campbell is a Vietnam Veteran.** He began his service by enlisting in the Air Force Aviation Cadet Flight School program and attending flight school. Two weeks before graduation and receiving his wings, he discharged. Not to be discouraged, he obtained a civilian rating to fly. Then an Army recruiter offered him another chance to fly. In 1964, with his army wings, **CWO4 Campbell** was stationed at **Vinh Long**, a US Army combat aviation base in the Mekong Delta. This airbase was in IV Corps about 75 miles southwest of Saigon. (Ho Chi Minh City) His aviation unit was the A company, 502<sup>nd</sup> Assault Helicopter Company, call sign "Outlaws". **Mr. Campbell** (Warrant

Officers are referred to as Mr.) flew Huey Helicopters and he carried a movie camera. How he flew a helicopter and shot movies is a marvel but he showed the FCOC Members several clips of his time in Vietnam; real action shots.

His 1<sup>st</sup> video was a combat insertion by helicopter of Chinese Nung Mercenaries that were fighting for the South Vietnamese. Another video was firing on a sampan. It was in a free-fire zone where, if were fired upon, you were permitted to return fire immediately. His door gunner fired all around the sampan that had five men in it. The men kept on moving and didn't make a hostile move and Mr. Campbell had to fly away. Another video showed helicopter landing on a road. A farmer with water buffalo was pulling a cart on the same road. The prop blast from the helicopter blew farmer, cart and buffalo into a nearby canal. The next shot was some of the helicopter crew diving into the canal to save themselves. All totaled, Mr. Campbell flew 800 hours in Vietnam.

### Administration

**Jack Hammett** announced that the call for volunteers is being answered. **Don Pageler** and **Buck Wall** will be processing new FCOC applications, to include preparing the speaker page for the FCOC web site. (*Have you checked the web for your page? [www.fc-oc.org](http://www.fc-oc.org)*)

**Pastor Frank Orzio**, with veterans, attended the June OC Board of Education meeting. The Board was considering removing all Memorial Day and Veterans Day studies as a cost cutting measure. After Pastor Frank spoke, the motion was rejected! Bless you Pastor Frank!

**Freedom Committee of Orange County** put together the **Memorial Day Program** at Harbor Lawn Memorial-Mt. Olive Cemetery in Costa Mesa. **Brent Theobald** served as the Master of Ceremonies. The National Anthem was sung by **Caitlin Theobald**. The invocation and Benediction was given by **Pastor Frank Orzio**. **William Habermehl**, former Superintendent, was the keynote speaker and was introduced by **Jack Hammett**. A special thanks to the General Manager **Michael Roudebush** of Harbor Lawn for their cooperation and financial aid. (photos attached) Mr. Campbell was scheduled to fly the "missing man formation" at the Memorial Day Ceremonial but last minute mechanical problems caused cancellation..

**Scott Williams** reported that form 199-N has been filed with California Franchized Tax Board for year 2012. Form 990-N for tax exempt organizations was filed with the IRS.

**Bette Bell** reported the May Financial statement. Copies were available.
